

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application.

1-11. (Cancelled).

12. (Previously Presented) A composition for controlling animal pests comprising a synergistically effective active compound combination of the compound of the formula (I-a-4)

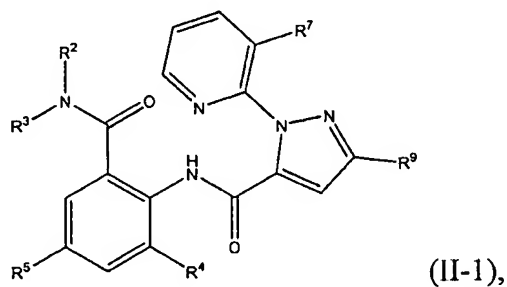

or at least one insecticidally active compound (group 2) selected from

(2-2) buprofezin,

(2-6) flonicamid,

(2-7) pirimicarb,

and at least one active compound from the group of the anthranilamides of the formula (II-1)

in which

R² represents hydrogen or methyl,

R³ represents C₁-C₄ alkyl,

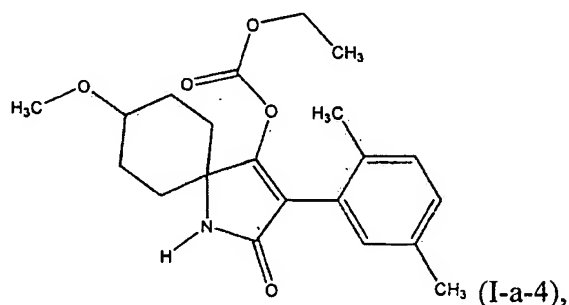

R⁴ represents methyl, trifluoromethyl, trifluoromethoxy, fluorine, chlorine, bromine or iodine,

R⁵ represents hydrogen, fluorine, chlorine, bromine, iodine, trifluoromethyl or trifluoromethoxy,

R⁷ represents chlorine or bromine, and

R⁹ represents trifluoromethyl, chlorine, bromine, difluoromethoxy or trifluoroethoxy.

13. (Previously Presented) The composition as claimed in claim 12, wherein the weight ratio of the compound of the formula (I-a-4)

or at least an insecticidally active compound (group 2) selected from

(2-2) buprofezin,

(2-6) flonicamid,

(2-7) pirimicarb,

and at least one compound from the group of the anthranilamides of the formula (II-1) is from 500:1 to 1:50.

14. (Previously Presented) The composition as claimed in claim 12, comprising a synergistically effective active compound combination of the compound of the formula (I-a-4), and at least one compound from the group of the anthranilamides of the formula (II-1).

15. (Withdrawn) The composition as claimed in claim 12, comprising a synergistically effective active compound combination of the compound pirimicarb, and at least one compound from the group of the anthranilamides of the formula (II-1).

16. (Withdrawn) A process for preparing a pesticide, comprising mixing the synergistically effective active compound combination as defined in claim 12 with substances selected from the group consisting of extenders, surfactants and mixtures thereof.

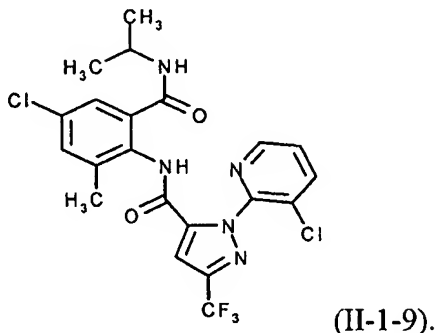

17. (New) The composition as claimed in claim 13, wherein said weight ratio is from 10:1 to 1:10.

18. (New) The composition as claimed in claim 17, wherein said weight ratio is from 5:1 to 1:5.

19. (New) The composition as claimed in claim 14, wherein the weight ratio of the compound of the formula (I-a-4) and at least one compound from the group of the anthranilamides of the formula (II-1) is from 10:1 to 1:10.

20. (New) The composition as claimed in claim 19, wherein said weight ratio is from 5:1 to 1:5.

21. (New) The composition as claimed in claim 12, comprising a synergistically effective active compound combination of the compound (2-2) buprofezin and the compound of the formula (II-1-9)

22. (New) The composition as claimed in claim 21, wherein the weight ratio of the compound (2-2) buprofezin and the compound of the formula (II-1-9) is 5:1.

23. (New) The composition as claimed in claim 12, comprising a synergistically effective active compound combination of the compound (2-6) flonicamid and the compound of the formula (II-1-9).

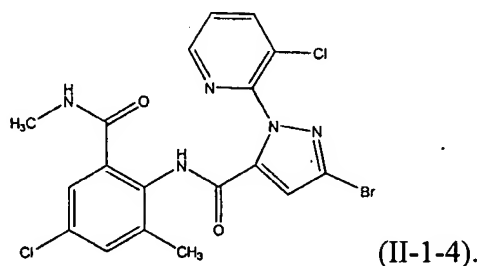

24. (New) The composition as claimed in claim 23, wherein the weight ratio of the compound (2-6) flonicamid and the compound of the formula (II-1-9) is 1:1.

25. (New) The composition as claimed in claim 14, wherein said compound from the group of the anthranilamides of the formula (II-1) is the compound of the formula (II-1-9).

26. (New) The composition as claimed in claim 25, wherein the weight ratio of the compound of the formula (I-a-4) and the compound of the formula (II-1-9) is 25:1.

27. (New) The composition as claimed in claim 25, wherein the weight ratio of the compound of the formula (I-a-4) and the compound of the formula (II-1-9) is 1:1.

28. (New) The composition as claimed in claim 12, comprising a synergistically effective active compound combination of the compound (2-2) buprofezin and the compound of the formula (II-1-4)

29. (New) The composition as claimed in claim 12, comprising a synergistically effective active compound combination of the compound (2-6) flonicamid and the compound of the formula (II-1-4).

30. (New) The composition as claimed in claim 14, wherein said compound from the group of the anthranilamides of the formula (II-1) is the compound of the formula (II-1-4).
